Market information

Kynningsrud Kran (previous Nordic Crane Group) has demerged from the crane companies on the west coast and the north of Norway.

- Nordic Crane Øst AS will be renamed as **Nordic Crane Kynningsrud AS**.
Nordic Crane Sverige AB will be renamed as **Nordic Crane Kynningsrud AB**.
- Kynningsrud Kran will remain as one of the leading crane companies in Scandinavia with 300 employees and a turnover of NOK 650 million.
- Eirik Kynningsrud is the CEO of Nordic Crane Kynningsrud in Norway, while Morten Heli-Hansen is the CEO of Nordic Crane Kynningsrud and Nordic Crane Heavy Lift in Sweden. Audun Bøhn-Kristiansen is the CFO of the combined crane division.

- Nordic Crane Kynningsrud’s headquarters in Norway is situated in Oslo, while the Swedish headquarters is in Gothenburg (which includes Nordic Crane Heavy lift).
- The bright green colour is Kynningsrud Group’s most important trademark. It was developed by Kynningsrud in 1998, and along with Nordic Crane Kynningsrud logo, we are highly visible in the Norwegian/Swedish market.
- Please find more information on our new webpages: nckynningsrud.com
